

APRIL-JUNE
2025

Welcome

The Year of Rising Higher and Shining Brighter is well underway, and as the season shifts and the days grow longer and the world around us shines brighter, so does the light of God's glory over our lives and at TLC. We too are rising higher, shining brighter, and walking boldly in all that God has for us. Whether you're in London or joining us online from across the globe, there's something for everyone. Stay connected and keep inviting others to experience what God is doing at TLC.

April is our Month of Opportunity, and it's filled with powerful moments to encounter God and grow in faith. We begin with of Supernatural Shift – The 10th Anniversary Season 2 with Pastor Stephanie Ike, shortly followed by Atmosphere of Worship & Wonders Volume 14, we then gather across all four locations to celebrate the resurrection power of Christ at our Easter services.

This month also marks the return of Reverend Charles Achonwa, a significant moment of impartation, and prophetic direction. There's more, from the Liberty Men's Social to Water Baptism, and a Virtual Serve Fair for anyone looking to get plugged into a team. The Liberty train is heading to Houston for a breakthrough weekend with guest Ministers Bidemi Olaoba and Ronke Adesokan.

May is our Month of Breakthrough, and we'll enter with Global 7 Days of Breakthrough, culminating in a Power Sunday, breakthrough is coming on every side as we're heading to Lagos for a life-changing Breakthrough Night, followed by Supernatural Shift – Season 3 in London.

June is our Month of Manifestation, and it begins with the Influence Conference, equipping us to lead and serve with greater impact, followed by the TLC Team Members Retreat, a time to refresh, connect, and realign with vision.

As always, these are exciting times at TLC with loads of life-stage events alongside the church-wide programmes, there is something for everyone wherever you are in the world; so, keep inviting people, and follow us on Instagram @tlchurchlondon to stay updated on everything happening this quarter.

Stay Liberated.
